The Elephant and the rabbit

An elephant was once taking a nap in the jungle when a rabbit started running all over his body just to play. This troubled the elephant's sleep, and he woke up quite furious. He was about to stomp the rabbit when the rabbit in despair requested the elephant to set him free. The elephant laughed at the rabbit's confidence and set him free.

After few days, a group of hunters came into the jungle and captured the elephant. They tied him up. The elephant was struggling to get out and started to cry. Soon, the rabbit walked past and noticed the elephant in danger. He ran and jumped on the ropes to set the elephant free.
